Dear Sir,

Extension of Date for submission of Life Certificate

All India Allahabad Bank Pensioners and Retirees Association welcomes the Govt`s Decision to demonetize the high denomination notes of Rs.500 and Rs.1000. Banks are doing a Commendable work in implementing the same. All the officers and members of award staff are working tirelessly and they will continue to do the same for some more time till the things get normalise. Retirees are also extending their co-operation and services to branches of the Bank where ever required in the field.

Sir, it has come to our knowledge that central Govt. has extended the date for submission of LIFE CERTIFICATE up to 15th January 2017. In the present circumstances when bank employees are overburdened in dealing with exchange of notes and related work, we request you to please extend the date of submission of LIFE CERTIFICATE in line with the central Govt`s decision, so as to ease the pressure on existing working staff in the branches.

Sincerely Yours

(S.K.Verma)
